RE: District Evaluation Committees (DEC)

DATE: December 17, 2021

The importance of having elected officials being agriculturally aware and engaged has never been more important in Nebraska than it is right now. This process is designed to increase the effectiveness of the Nebraska Farm Bureau Political Action Committee (NEFB-PAC), and at the same time increases the involvement of the County Farm Bureaus in the endorsement selection process.

As you will note from the enclosed materials, each legislative district will have a District Evaluation Committee (DEC) comprised of the counties located within the legislative district. The information for your DEC is found below. Enclosed you will also find a position description for the DEC members and a form for you to appoint the member(s) of the DEC to represent your County Farm Bureau. I also encourage you to appoint one or more alternates in the event the members you appoint cannot attend the meeting of the DEC.

Please return your completed DEC appointment form to Nebraska Farm Bureau, P.O. Box 80299, Lincoln, NE 68501 Attn: Whitney Kelley by January 28, 2022. You may also email whittneyk@nefb.org or fax (402) 421-4427 in your information.

We will be contacting members of the DEC in February to coordinate plans for the selection process to be held in March. Please do not hesitate to contact us with any questions regarding this process. We look forward to working with you as you identify and recommend candidates for endorsement during the upcoming election cycle.
